SPECIAL NOTICES

The Board of Trustees is under the necessity of calling your attention to the fact that we are running behind in our expenses. There is a deficit now of over $400. We have a membership of nearly 400, but the expense of supporting the work of the church is borne by less than 150 active members and by the basket collections. To those who have not subscribed we would suggest the renting of one or more sittings, or the pledging of some definite sum. Those who have not yet paid subscriptions which are due are urged to do so at the earliest possible moment. This appeal is not to those who are already doing their best. No one is asked to give more than he is able, but each is urged to contribute his share, no matter how small.

SPECIAL NOTICES

The Pacific Coast Conference will be held in San Francisco, May 11 to 15th. Will those who can attend the conference report as soon as possible, that we may supply them with credentials?

It has been proposed by some of the prospective delegates that they take a short side trip to Yosemite on the way home from the conference. Reduced rates to San Francisco can be secured and to Yosemite if a sufficient number go. If such a combination trip appeals to any of you, please consult Miss Belle Smith.

Any member who is a subscriber and desires to occupy a permanent seat, can be accommodated by applying to any member of the Board.

Are you a subscriber for the Pacific Unitarian? If not why not try it for a year? Besides keeping you informed on church matters it is one of the keenest and most suggestive monthlies published.

The next Sunday afternoon Song Service will be given at this church June 5th, commemorating Schumann's Hundredth Anniversary. The program will contain Vocal, Violin, Piano and Organ Selections from the great composer's best works.

Judge York will be the speaker at the next Men's Club meeting, May 13. The Philosophy of Humor will be the subject.

SPECIAL NOTICES

The Board of Trustees is under the necessity of calling your attention to the fact that we are running behind in our expenses. There is a deficit now of over $500. We have a membership of nearly 400, but the expense of supporting the work of the church is borne by less than 150 active members and by the basket collections. To those who have not subscribed we would suggest the renting of one or more sittings, or the pledging of some definite sum. Those who have not yet paid subscriptions which are due are urged to do so at the earliest possible moment. This appeal is not to those who are already doing their best. No one is asked to do more than he is able, but each is urged to contribute his share, no matter how small.

Mr. and Mrs. Hodgin will be out of the city until May 20th.

The Farce "Mr. Bobs" will be given by the Liberal League the last of May.

Matter for the calendar for the next two weeks should be given Mr. Heimann not later than Thursday of each week.

Any member who is a subscriber and desires to occupy a permanent seat, can be accommodated by applying to any member of the Board.

A. S. LONGLEY, Secretary

Happiness is the enjoyment of goodness, truth and usefulness, without thought of merit or recompense, and for the sake of others. It is the gift of God to those whose hearts are open to it. It is a spiritual condition, from the love of use, filling the spiritual man and flowing down into and making delightful the duties and opportunities in the natural world. True happiness is not from rest and idleness and indulgence, but from useful activity which brings help and joy to others. Selfishness prevents God's full presence and guidance in the heart, and so destroys the possibility of the deepest happiness. All happiness depends upon love to God and one's neighbor. The highest attainment of earthly happiness is love towards God, charity towards our neighbor. The true happiness of man is independent of earthly station, because his love to God and his neighbor does not depend thereon; not wealth, honor, health or power can bring happiness unless the heart is moved by unselfish love, according to the two great Commandments.

Saints are men of character. A man has character when he is conscientious; when he is not moved by every passing impulse or feeling, but by a fixed will to do always what is right and good; when he does not go where it is easiest to go, but where it is his duty to go; when he controls his passions; when he has religious convictions.

Support: The church's only means of support is from the voluntary contributions from members of the congregation, who are asked to be as generous as possible. All regular contributors are urged to take sittings.

If men would stand up for their religion like they do for their politics, how soon the lion and the lamb would lie down together.
